To Whom It May Concern,

Power Crunch is committed to delivering only the highest Quality products. During a routine inspection our Quality Monitoring process discovered some product that did not meet our sensory specifications for flavor. Upon tracing the non-conforming lots it was determined that McLane was shipped the following products that did not meet our flavor specifications, and therefore should not be made available to the market:

Lot#	Description	McLane Part #	Case QTY	McLane Purchase Order
02222017B	Power Crunch Original – 5ct Chocolate Mint	000002915	144	SE01343949-01
02222017B	Power Crunch Original – 5ct Chocolate Mint	000002915	180	ME01545356-01
02222017B	Power Crunch Original – 5ct Chocolate Mint	000002915	180	NC01275592-01
02222017C	Power Crunch Original – 5ct Chocolate Mint	000002915	12	NC01275592-01
02222017C	Power Crunch Original – 5ct Chocolate Mint	000002915	96	HP01355171-01
02222017C	Power Crunch Original – 5ct Chocolate Mint	000002915	144	MI01365831-01
02222017C	Power Crunch Original – 5ct Chocolate Mint	000002915	144	MN01270718-01
02222017C	Power Crunch Original – 5ct Chocolate Mint	000002915	144	SO01463120-01

Please destroy the product listed above. Upon verification that this product has been destroyed, a credit to your account will be issued.

It is important to note that the product related to this incident does not represent any health or safety concern.

Please call me at (714) 427-6990 x 223 with any questions or concerns.

Sincerely,

Spencer Jernigan
Quality Assurance Manager
