Georgia Nut Company (GNC), Third-Party Manufacturer for Tru Fru, LLC Issues Voluntary Recall of Specific Varieties of Tru Fru Freeze Dried Products Due to Potential Presence of Metal in Product

September 25, 2025

Dear U.S. Customer:

Today, Tru Fru, LLC announced that its third-party manufacturer, Georgia Nut Company (GNC) is issuing a voluntary recall of specific varieties of Tru Fru Freeze Dried products due to the potential presence of metal in the product. The recall was initiated upon receiving a report from a consumer alerting Tru Fru to this matter. There have been no reported cases of injury or illness.

All product within our control is currently on hold and we will be working with RQA, a third party, to support our retail and distributor partners in this voluntary recall effort.

The products subject to this recall in the U.S. include 2 Freeze Dried flavors: Tru Fru Freeze Dried Strawberries in Dark & White Chocolate and Tru Fru Freeze Dried Strawberries & Crème, specified below. On the back of the package is a 10-digit manufacturing code; the **first four digits and/or letters** in this code will indicate implicated product as described in the table below:

No other Tru Fru products are affected by this voluntary recall. This recall is being performed while contemporaneously notifying the Food and Drug Administration.

REQUIRED ACTION:

- **Please immediately examine your inventory and quarantine product subject to recall.** Specifically, please stop shipment, hold, and remove from sale the product affected by this recall. In addition, if you may have further distributed this product, the expectation is to identify your customers and notify them of this product recall. This communication should be forwarded to all affected locations.
- **Please send us a thorough list of all customers to which you have distributed impacted product.**
- Please note that **thorough completion of the Recall Response Form is necessary for reimbursement and reshipment of new product.** The Recall Response Form should be sent to trufrureturns@rqa-inc.com as soon as possible.
- **For product currently in customer distribution centers,** RQA will support you in identifying case quantities and initiate the pick-up / return of the impacted items. Should your process be to destroy on-hand inventory of the impacted items, please provide a Certificate of Destruction addition to sending RQA the attached Recall Response Form. This form can be completed and sent to RQA trufrureturns@rqa-inc.com as soon as possible. RQA will reach out directly should they not hear back shortly.
- **For product currently in-store or on-shelf** RQA will assist both direct and indirect customers with product removal and they will begin visiting impacted retail locations immediately. Should customer process be to destroy on-hand inventory of impacted items and not have RQA handle

product removal, the Recall Response Form is required to identify case quantities and batch codes. If any affected product is found prior to RQA visiting, the product should be removed from store shelf, destroyed and documented on the Recall Response Form and destroyed product will require a Certificate of Destruction.

Our continued partnership is extremely important to us. We apologize for any inconvenience caused to your customers and associates because of this voluntary recall. We remain committed to delivering outstanding products and service to you and your organization. Your Tru Fru representative is available at any time to answer any questions you may have.

Thank you for your ongoing partnership and support.
